DEDICATION

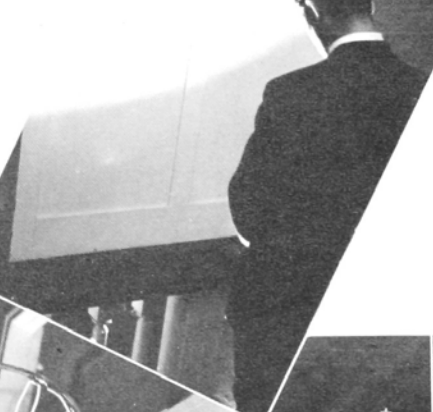

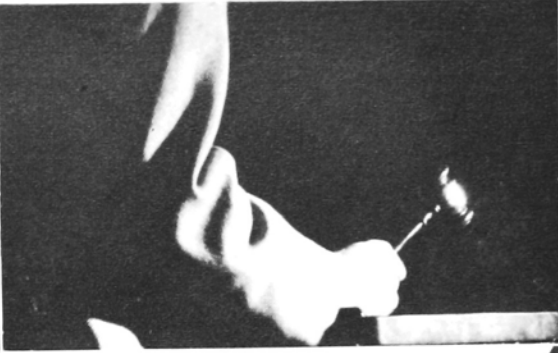

We, the staff, gratefully dedicate the 1955 ZENITH to Mr. Herman E. Coble, who named the ZENITH and served as its first editor.

Mr. Coble, you are more than a teacher to the students of High Point College. Your sincere interest in each student permits your high ideals and your lofty traits of character to permeate the life of each. Your faithful service in the Bookstore is deeply appreciated, although we do not express our sentiments openly.

For your service to your Alma Mater and your untiring efforts as teacher and friend, we dedicate this annual to you.

Formal Dedication of New Buildings

Formal dedication of the new buildings at High Point College was held October 13 in the new Memorial Auditorium with the student body and numerous guests from High Point and vicinity present.

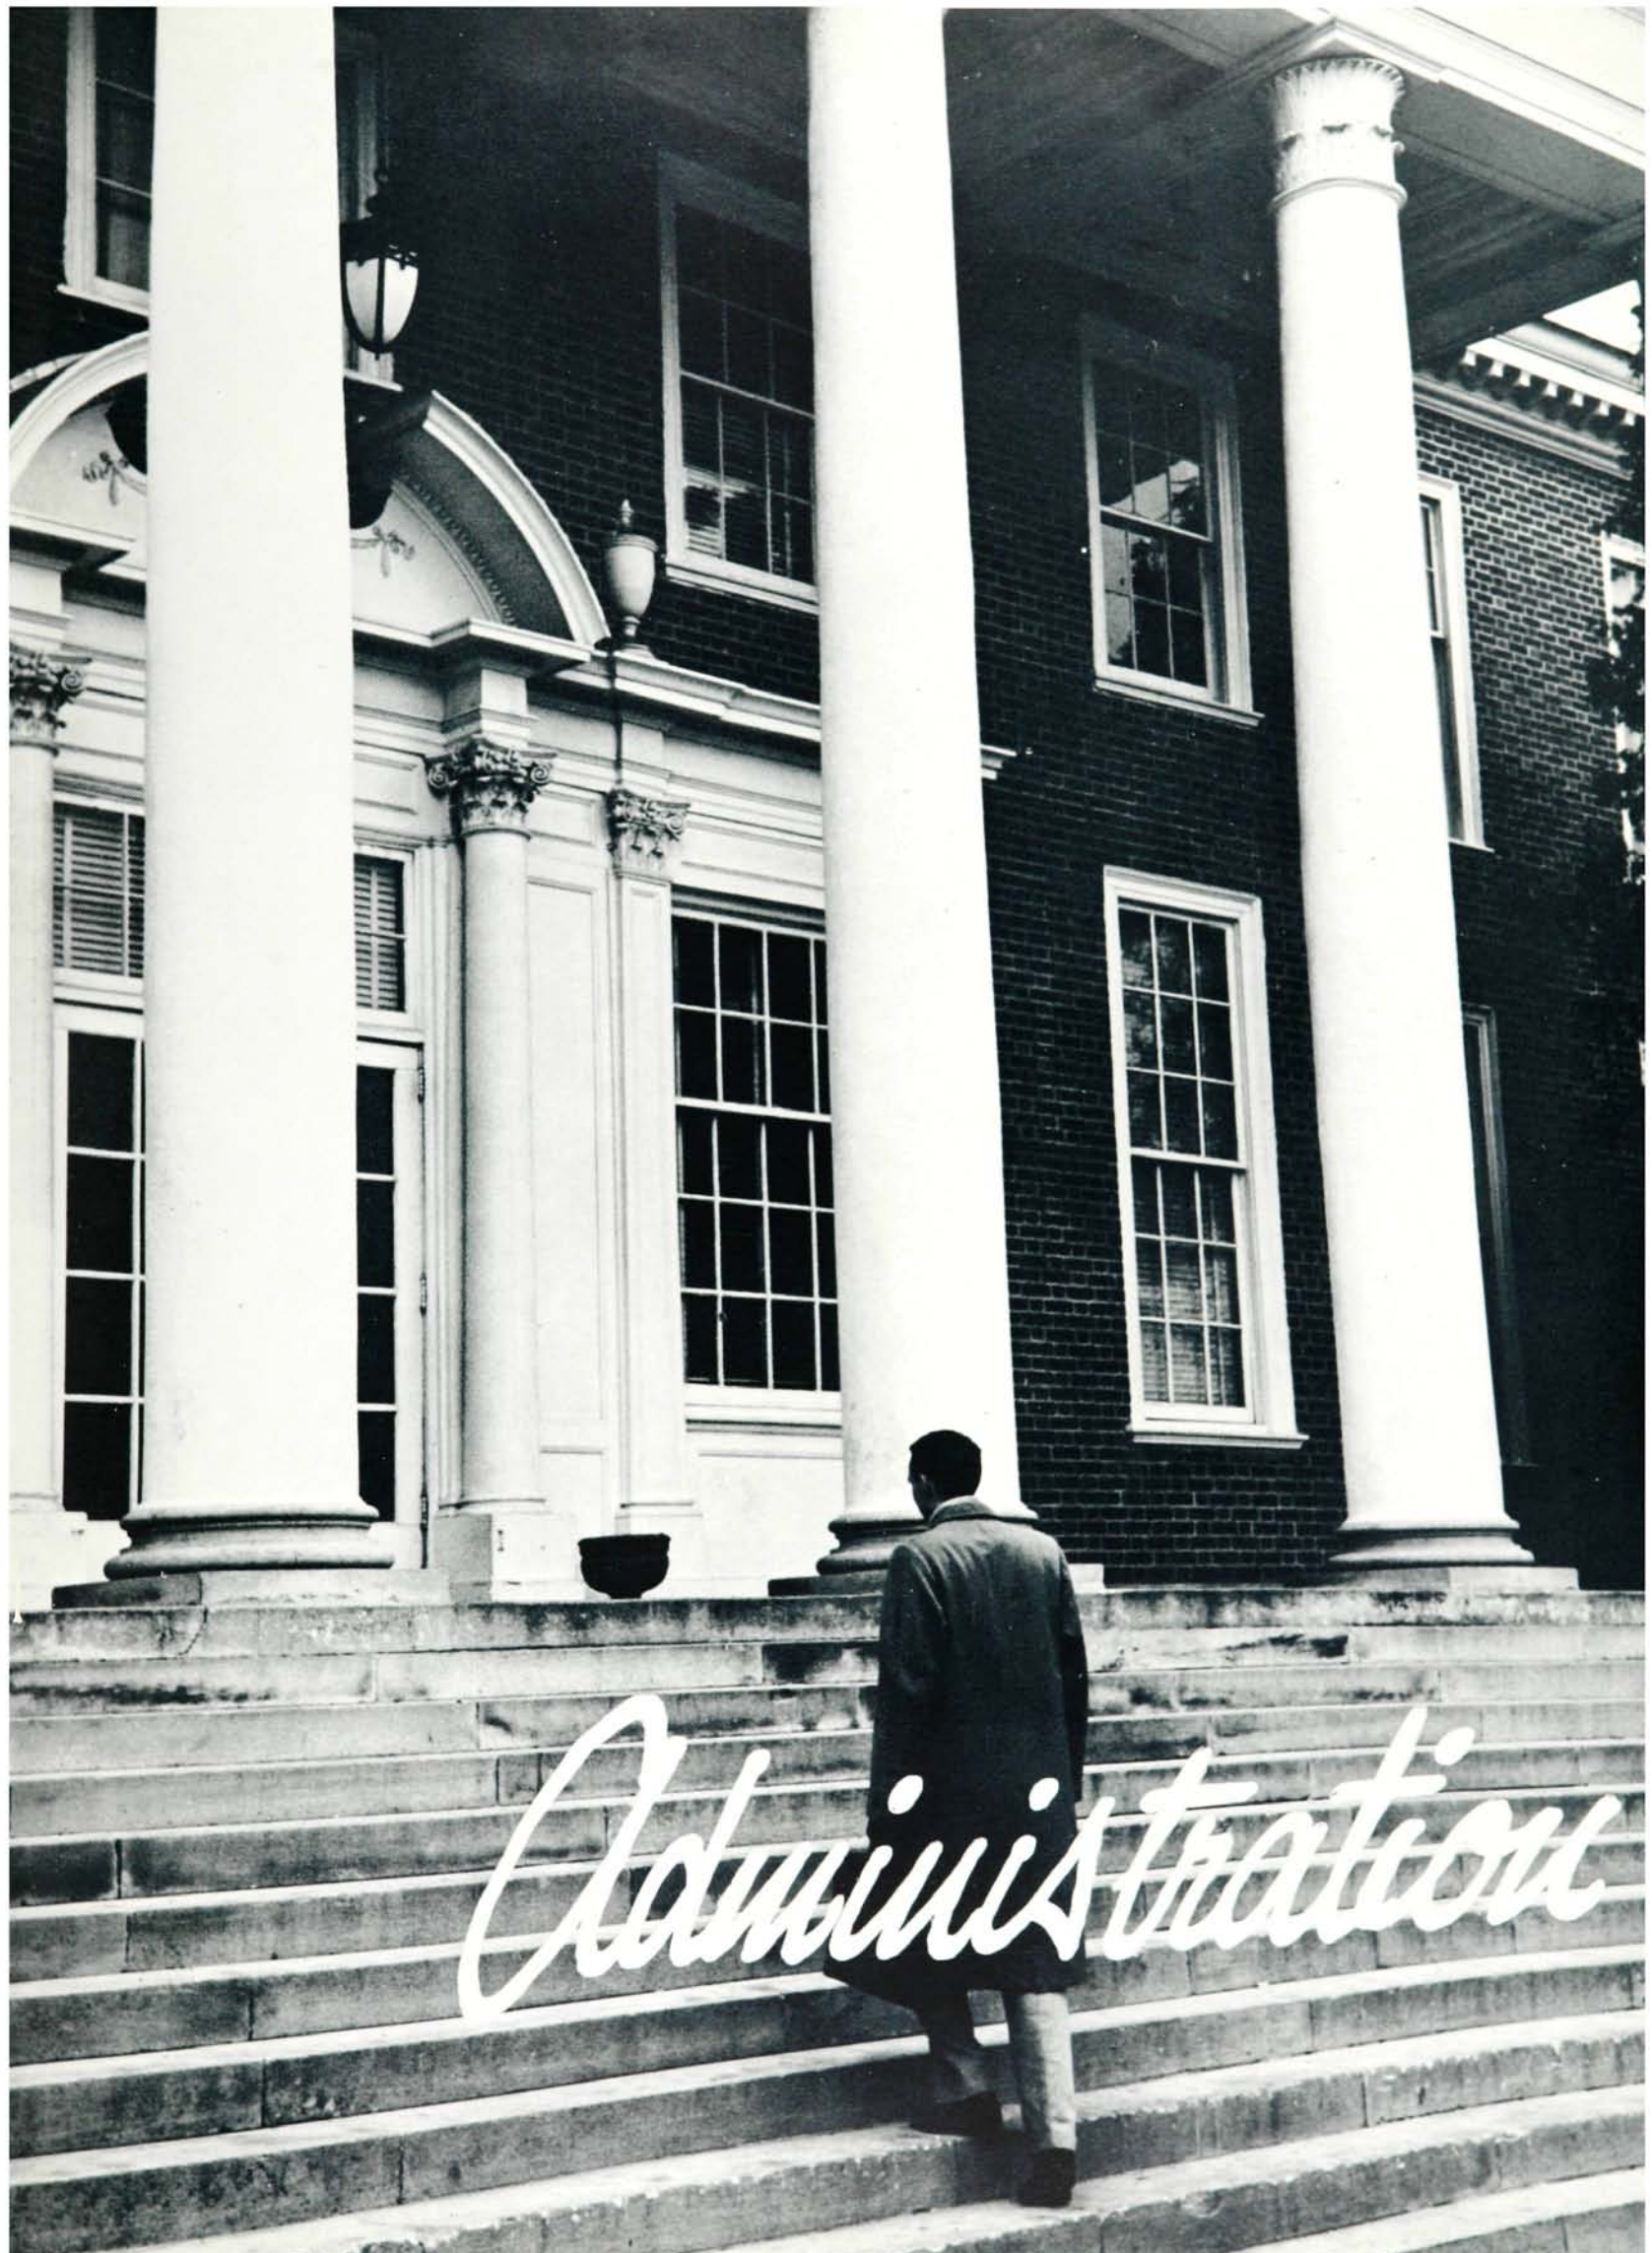

Weaver M. Marr, resident administrator of the American Humanities Foundation at Salem College, Salem, West Virginia was the speaker for the occasion. Bishop Costen J. Harrell, of the Western North Carolina Conferences of the Methodist Church, was co-speaker for the dedication.

The new buildings were officially presented by Holt McPherson, chairman of the board of trustees. Also taking part in the service were Dr. J. Clay Madison, Dr. C. Excellence Rozzelle, and Mr. F. Logan Porter, Reverend J. Clyde Auman, and Dr. Dennis Cooke, President of High Point College.

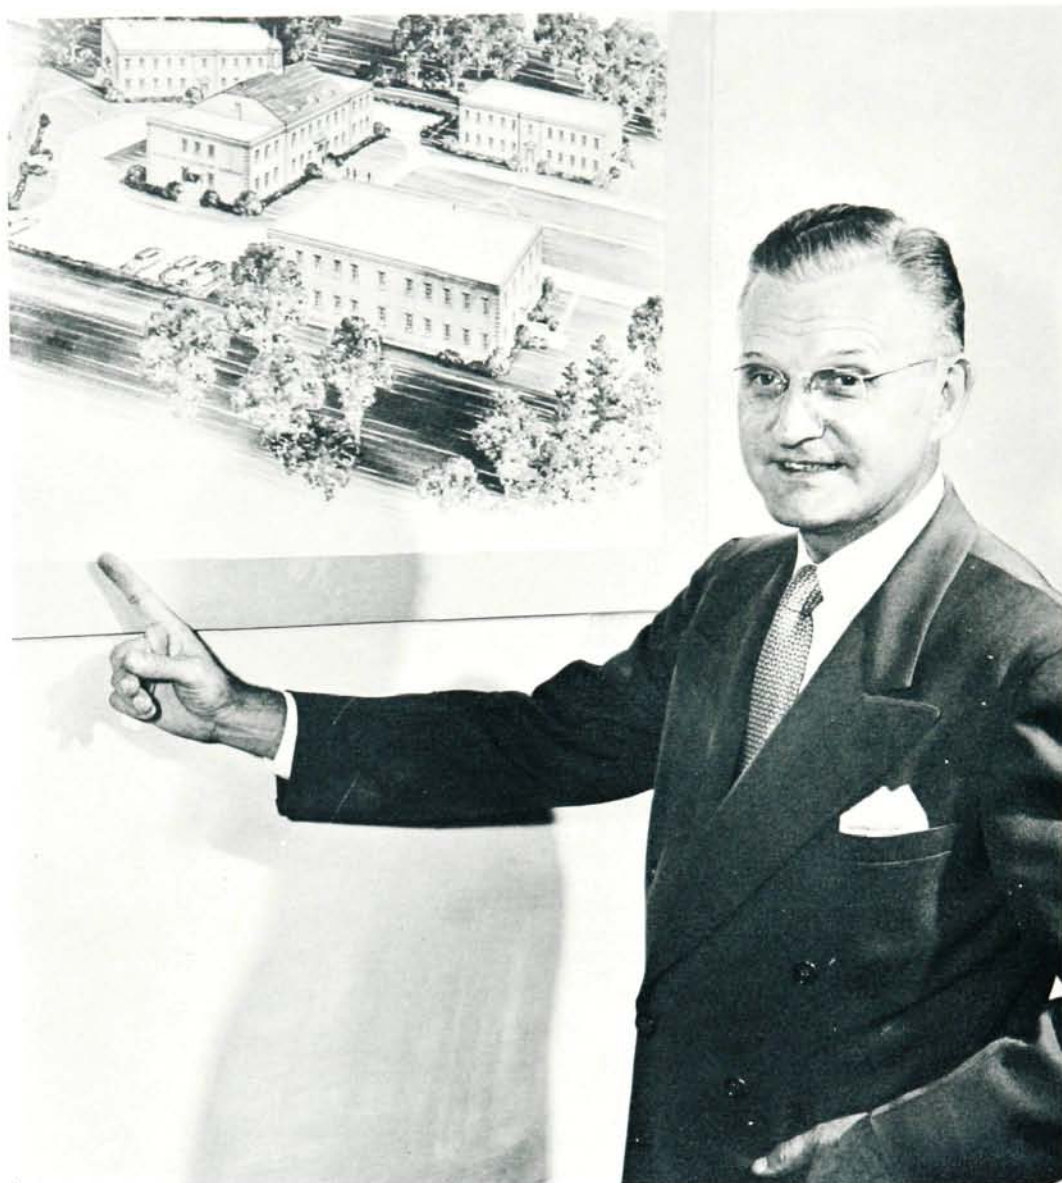

Susanna Wesley Hall, Dormitory for Women; Memorial Auditorium and Music Hall; a science and home economics building; and maintenance building are the structures that were dedicated.

A Message from the President

High Point College has experienced, within the past six years, phenomenal growth and development academically, physically, and spiritually. The College is the strongest it has ever been in these three areas, and this is as it should be. The students and alumni of High Point College can be justly proud of their College, because it is as good as any of the colleges of its type and better than many. All of this has been achieved through the fine co-operation and support of the students, the faculty and staff, the Board of Trustees, the alumni, and the thousands of other friends of the College. All of us should be thankful to Almighty God for His beneficence to and divine guidance of the College which we love so dearly.

But we never will reach the millennium when High Point College is as great and fine as it should be. When an institution has all of the funds and buildings it needs and when it is as good academically and spiritually as it should be, it then ceases to grow and improve. It is ready to close its doors, because it will soon die. When High Point College ceases to grow and to improve, it, like any other form of life, will die. While all of us respect and revere the achievements of the College we love, let us keep our faces toward its future development.

Hoping that those of you who are leaving us will keep a warm place in your hearts for your College and all those associated with it, I am

Yours very sincerely,
DENNIS H. COOKE, *President*

Student Government Association

BOB STEPP
Vice-President

PAT MARTIN
Secretary-Treasurer

JOHNNY MANN
S.C.C. Representative

Student Government activities this year at High Point College have reached an unprecedented high mark in the level of campus activities. This past year especially, the student body has become more aware of student government, due both to its activities and its importance.

High Point College students believe in self government, democracy, and the principles of self honor. For this reason, student government is effective in campus life. This year, the Student Government Association, under the leadership of its well liked and efficient president, David Abernathy, has set new goals for future years, as well as making a few records for itself in the year's activities.

The most important goal achieved was the establishment of a new form of government. The present one-council set-up was changed to a three department form of government, executive, legislative, and judiciary. Under the leadership of David Abernathy, a student committee drew up a proposed constitution and submitted it to the student body for ratification; it was heartily accepted by a vote of 845-6. The new government replaced the Student Council which had been in operation since 1934. Of the change in government, Dr. Dennis H. Cooke, president of the college stated, "It is

the most progressive change I have seen within the student body since I have been president of this institution. I was certainly glad to see it go into operation."

The biggest dance of the college year was held April 27, when the Student Government Association sponsored a concert and dance featuring the band of Ralph Marterie. The event was an overwhelming success, enjoyed by the student body as well as by the people of the city of High Point. This was the first time in the history of the College that a "big name" band had been obtained for an all-college social function.

Among other activities were assembly programs held by the SGA several times throughout the year, sponsoring a successful freshman orientation program, holding open house after home basketball games, conducting a fund-raising campaign for a new gymnasium, sending six delegates to the state-wide Student Legislative Assembly in Raleigh, N. C., and countless other things that are almost inestimable.

David Abernathy and this year's council are to be commended, not only for the work they did this year but also for the plans, thought and consideration they gave to the present enrollment as well as to the many students to come to High Point College in the future.

Upon our arrival the unfamiliarity and confusion of new names and faces perplexed us. The first week was very exciting as we met new roommates, took tests, wore freshman beanies, and

started classes with fear and trembling. Now, after our first year, our uncertainty has been replaced by confidence under the guidance of professors and upperclassmen.

Call it a goal reached, a dream come true, or a commencement into the business world—whatever it is, we know we have spent four of our most wonderful years socializing, studying, and most of all living with Christian friends on an “ideal”

campus. We have learned and we have loved and now we embark into the future with inspiration from our Alma Mater and strength from our motto —NIL SINE NUMINE (Nothing Without Divine Guidance).

The Veterans Club

The 1954-55 edition of the Veterans Club proved to be somewhat more active than the organization has in the past.

The Veterans Club has very definitely taken a greater interest in the welfare of the college and they have joined in with other organizations in acquiring blood donations this year. In fact, they proved themselves by winning the trophy awarded to the organization who acquired the most blood donations. They gained the respect of the student body when they chose to place the trophy in the trophy case in memory of Hubert Johnson and Bruce Cooper.

This is the first year the Veterans Club has ever been represented on the Student Government Association. Serving as officers this year were: Paul Hampton, *President*; Ernie Ball, *Vice-President*; Ralph Vick, *Secretary and Treasurer*.

Dick Sale, Buddy Nance, Paul Hampton, Ralph Vick, Lane Greene, Vernon Wright, Don Warren, Randall Guyer, Kerlee Littrell, Robert Fowler, Bob Combs, Don White, Robert McNeil, Robert Clinard, Bobby Smith, Carlton Leonard, Elmo Marsh, Fred Peters, Joseph Pittman, Adolph J. MISS JANE DESPAIN

OUR HEARTS WERE YOUNG AND GAY

A large and enthusiastic group of Tower Players staged Jean Kerr's bright comedy "Our Hearts Were Young and Gay" as their initial performance of the year. Requiring two sets, 1923 costumes, and many many properties, it was a triumph of co-operation to produce.

Under the direction of Miss Jane DeSpain, who has studied theater work extensively, the cast and crews gave untold hours to earn the accolade given them by Leon Burnett in the *Enterprise*—"Tower Players take full advantage of new auditorium to produce hit." Guiding the group in the year's efforts were the officers: Sarah Hamilton, *President*; Mary Alice Milbury, *Vice-President*; Evelyn Chapman, *Secretary*; Larry Strange, *Treasurer*; and Jeannine Easterling, *Publicity Chairman*.

Later plays included two one-acts given for Homecoming and Tennessee William's Dramatic memory play "Glass Menagerie" presented in February.

Charley's Aunt and Our Town

Charley's Aunt, a hilarious comedy highlighted by songs brought a bit of the Gay Nineties to a receptive audience in April, 1954. The entire cast in a singing finale earned five curtain calls.

In May of 1954, just before graduation, The

Tower Players presented Thornton Wilder's immortal classic of the American theatre, "Our Town." It was the first production to be given in the New Memorial Auditorium. The cast was made up of mostly seniors.

Radio Workshop

The Radio Class, under the direction of Miss Jane DeSpain, produces a weekly radio show over station WHPE. They also allow other departments

to have the radio time for a show which they feel will be of interest to the students and community. Fifteen students were in the class.

The Hi-Po

Sounds of the pecking of typewriters, rustling of papers, and general murmurs fill the room, a bit crowded, in the tower of Roberts Hall. The scene is a bi-weekly one; the time is just before the deadline hour. Working harder than years past because of the increased size, the editorial members almost frantically write copy with one finger, talk to a reporter, and interview a student, all in one breath. The air is static. The hour is late. Tempers are short. Coffee is perking. It's a typical scene when the *Hi-Po* deadline rolls around.

Coats draped over chairs, copy paper on the floor, stacks of undelivered newspapers, apparent chaos and confusion—it would seem as though everything is a disorganized conglomeration. But after all the mad rush and scramble is over, the *Hi-Po* is out, a neat seven column sheet, above average as usual.

for 1954-1955

This year, the *Hi-Po* staff has worked harder to present an above-average campus newspaper. Through the combined efforts of David Abernathy, *editor-in-chief*, and the business and advertising staffs, it has been possible to put out 14 regular issues, an April Fool edition, and a *Hi-Po* review in magazine form. The staff started the year off with a bang, having their first issue in circulation on the first day of classes, somewhat of a record. Advertising space increased with the help of a summer ad-selling program and John Perry's pounding the pavements up town.

Yes, it's a wonder the *Hi-Po* ever reaches the students, with all the problems and difficulties characteristic to publications, but in spite of all the troubles met by the staff, the *Hi-Po* has been raised to a high level of esteem by the student body.

Hey, have you seen that picture of Punchy? . . . Now—let's see, where did we put that picture and so on . . . until the fun is all over and here is what we came out with . . . your 1955 ZENITH!"

Yes, needless to say, we have had our fun—but there were times when fun developed into what you might identify as work—pure old manual labor to be exact! Since the day the business staff collected their first \$1.50 for pictures back in September until this very day, we, the staff, have witnessed many anxious moments; in fact, during the course of those moments, there were times when we tended to kinda' doubt if we would ever make it; no more doubts now, because here it is—the finished product.

There are many who lent a very valuable hand in making this finished product possible who will never get the due credit—to those persons, we offer you our many thanks!

To Snow's Studio and Frances—for their tireless efforts to help us anyway they possibly could.

A big thank you to Mr. Smith and Edwards & Broughton Company for their splendid co-operation.

To you—the student body of High Point College, we thank you for the co-operation you so graciously gave us in keeping your picture appointments.

We admit truthfully and emphatically that we have made many mistakes; some of them we could correct if we had it to do over again but since we can't (no regrets) we just give it to you—mistakes and all—your 1955 ZENITH!

The Student Christian Council functions for the purpose of planning and guiding the religious activities on campus. The council is made up of four officers, two committees and two representatives from each religious organization on campus.

It has been the policy of the council to hold two retreats annually, one at the beginning of each semester in order to plan out their semester's program. Sandwiched in between these retreats, they hold several meetings to view the results of

their plans and discuss problems that usually come to the attention of the group.

Among the many things planned by the council are religious emphasis week, weekly vesper programs, morning devotions and the mid-week prayer service.

The Student Christian Council strives to improve the religious opportunities here at H.P.C. They attempt tirelessly and prayerfully to plan each phase of their program in the best interest of the spiritual health of High Point College.

Student Christian Council Activities

"Hey, let's go to morning devotions. . . . Prayer service on Wed. night. . . . See you at vespers Sunday. . . . Who did you say the speaker for Religious Emphasis Week is. . . . Vassiliki Fund Drive for 1954." . . . These are a few of the most important religious events that take place on our campus for the student body.

Morning devotions are held each morning at 8:00, Monday through Saturday in Lindley Chapel. They have a two-fold purpose, one to provide daily inspiration for both students and faculty; it also seeks to establish a better relation between the student and faculty members in that a faculty member is in charge of the brief service three days weekly as are the students.

The mid-week prayer service is another activity that is significant on our campus. It strives to deepen the prayer life of students and to encourage prayer.

Vespers on Sunday—one might call this the High Point College Church Service. Generally the services are handled by the organizations and faculty members on campus; however, several times each semester, the S.C.C. invites special guests to visit our campus. Among our guests this year was a group from Bennett College.

Religious Emphasis Week is one of the S.C.C.'s

major activities of the year. They usually start planning for this occasion a semester in advance. They have brought many outstanding speakers to our campus during the past few years and this year was no exception. With Dr. Robert N. DuBose delivering the messages, this year's religious emphasis week was termed as one of the best, probably because of the informal atmosphere that was created by both the S.C.C. and the speaker.

Each year the S.C.C. gives the student body the opportunity to contribute to the welfare of Vassiliki, a fifteen-year old Grecian girl whom the S.C.C. supports. The council sends Vassiliki money and other supplies approximately four times a year.

In these activities briefly mentioned above and in all other religious activities carried on here at H.P.C., the S.C.C. along with the other religious organizations on campus has the ever-lasting desire to see "Peace on earth, and good will toward men" become a living reality here on earth. All of the religious organizations, Baptist and Methodist, Fellowship Teams and the S.C.C., Alpha Delta Theta and Kappa Chi, carry and believe "Christ Above All" . . . Nil Sine Numine . . . nothing without divine guidance.

Fellowship Teams

The Fellowship Teams are organized for service—service to young people in churches within reasonable traveling distances of the college. Their purpose and aim is to strengthen youth work in the local churches and lead young people in more abundant living. This year there have been twelve teams composed of sixty-five enthusiastic students.

COACH VIRGIL YOW

Coach Virgil Yow has completed his second year at High Point College as head coach of the varsity basketball team.

Coach Yow graduated from High Point College, receiving his A.B. degree from here. He has completed one year of graduate work at the University of North Carolina. This is actually his fifteenth year as head coach of his Alma Mater, having coached here thirteen years prior to 1945.

During his seven years absence from our campus, Coach Yow was coaching basketball in the industrial ranks.

Yow has had a job of rebuilding the Purple Panthers back to their rank as a power in the North State Conference. His task has been a difficult one but he has accomplished a great deal toward reaching his goal. The prospects for next year's team look promising for Yow's program.

The Panther Men

Here they are—"the Panther Men," fifteen strong, clad in their traditional home-standing white and purple uniforms. They stand in the form of an "H," reminding the student body as well as themselves that they are representing High Point College. Win or lose, they have proved themselves as outstanding representatives of our institution; they always possessed a will to win but in defeat they showed a tremendous amount of sportsmanship. Happy but modest in victory, extremely good sports in defeat, and the men who helped create a great H.P.C. school spirit—these are the characteristics of our "PANTHER MEN."

Front to back, left to right: Murphy Osborne, Bob Manning, Harold Crump, Bobby Dunbar, Don Williams, Bobby Davidson, Bill Huegle, Johnny East, Bert Westbrook, Ken Frazier, Tom Payne, Roy Dixon, Paul Stanton, Phil Crockett, and J. C. Bledsoe.

The Year for the Panthers

Coach Yow has done an excellent job this year in bringing the Panthers back into contention with North State foes. The Purple Panthers racked up 14 victories against 17 losses compared with last year's record of only six wins out of thirty starts.

Led by captain Bobby Davidson and Bill Huegle, the HPC squad managed to hold its own in the conference. Jack Powell, joining the Panthers in the second semester action, gave the Panthers an extra scoring punch. Paul Stanton and J. C. Bledsoe also proved themselves as dangerous men from the scoring department.

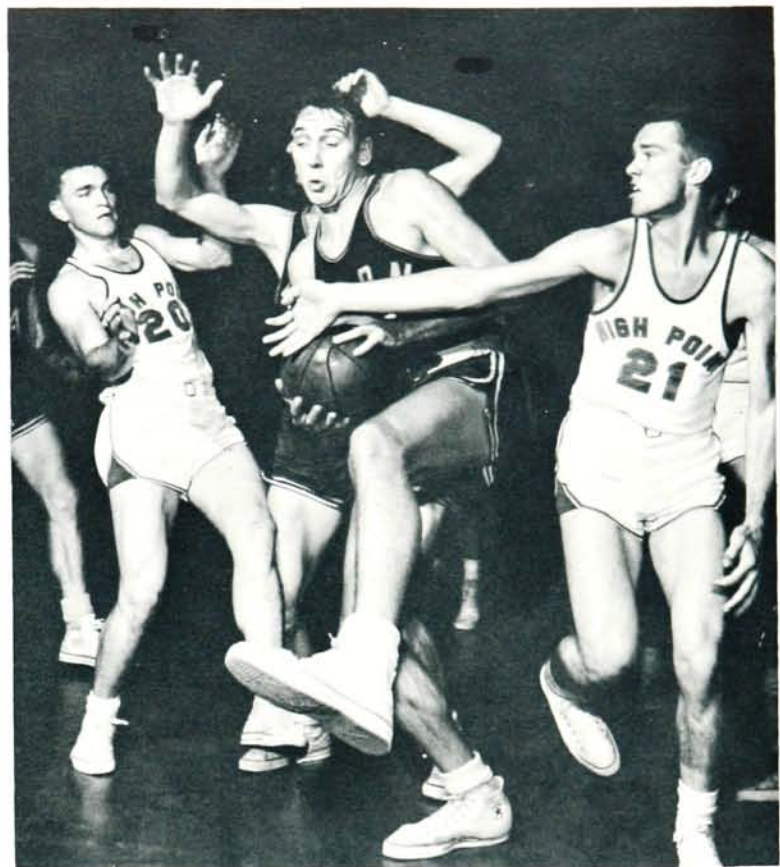

The 1955 edition of the HPC Basketballers was a well-balanced outfit throughout the season. Coach Yow took advantage of this balance and substituted freely using such backbone men as Ken Frazier, Harold Crump and Roy Dixon with great regularity.

Other men who added depth and importance to the team were Phil Crockett, Murphy Osborne, Bobby Dunbar, Tom Payne and Bobby Pharr.

The Purple Panthers finished sixth in the conference this year which enabled them to return to the North State Tournament in Lexington after a year's absence. The High Pointers promptly surprised North State Officials by upsetting East Carolina rather handily 91-70, after losing to the Pirates twice during the regular season. The second round of tournament play saw the "never give up Panthers" lose out to Atlantic Christian 81-69, who was crowned the North State Champions the next night.

For their untiring efforts and their contributions to our college, we salute Coach Yow and the 1955 Purple Panthers. The Panther team is fast building up to be a top threat in the North State Conference.

This year the Panther cheerleaders were elected by student ballot in what seemed to be the most heated election campaign in the history of cheerleader selection. The group this year spirited the student body in some close basketball games, cheering so enthusiastically that the "roof of the gym was in danger." This year's group, under the leadership of Betty Tysinger, the head cheerleader, contributed much to the "HPC spirit." The cheerleaders who lead the student body in "Rooting for the Purple Panthers" were Betty Tysinger, Koy Dawkins, "Shrimp" Flynt, Marilyn Lowdermilk, "Pert" Prettyman, Ann Kerr, Nancy Crews, and Marsha Bailey.

Time Out!

A moment for strategy assignment and a short breather before continuing the battle. The action has been fast and hard; this time-out strategy may present a method of keeping the lead. The "fighting five" clasp their hands together, the coach says "Let's get out there and hustle," and the game is on.

Pep Rally

The spirit of HPC has exemplified itself many times this year, especially in the pep rallies that were held several times by the SGA and the Cheerleaders. On nights before the toughest games the pep rallies in the stadium with a bonfire and members of the HPC band helped unify the "Spirit of HPC."

NOISE AT THE NORTH STATE TOURNAMENT

COACH ABE PALMER

Coach Abe Palmer produced an excellent junior varsity team this year in posting a record of 27 wins and only 13 losses.

The Baby Panthers were paced by Jay Harper and Dale Swaringen in racking up this impressive record.

Jayvee Basketball

Coach Abe Palmer is completing his third successful year at High Point College as Junior Varsity Basketball coach.

Palmer received his A.B. degree from Southwestern College in Memphis and earned his M.A. degree from George Peabody College. He has conditioned several men on his hustling junior varsity squad so successfully that they are now playing with varsity competition.

Bob Perdue was an important factor with his floor work. Ken Black grabbed a considerable amount of rebounds to aid in the victories. Jack Johnson was the only returnee from last year's team.

Jayvee Action

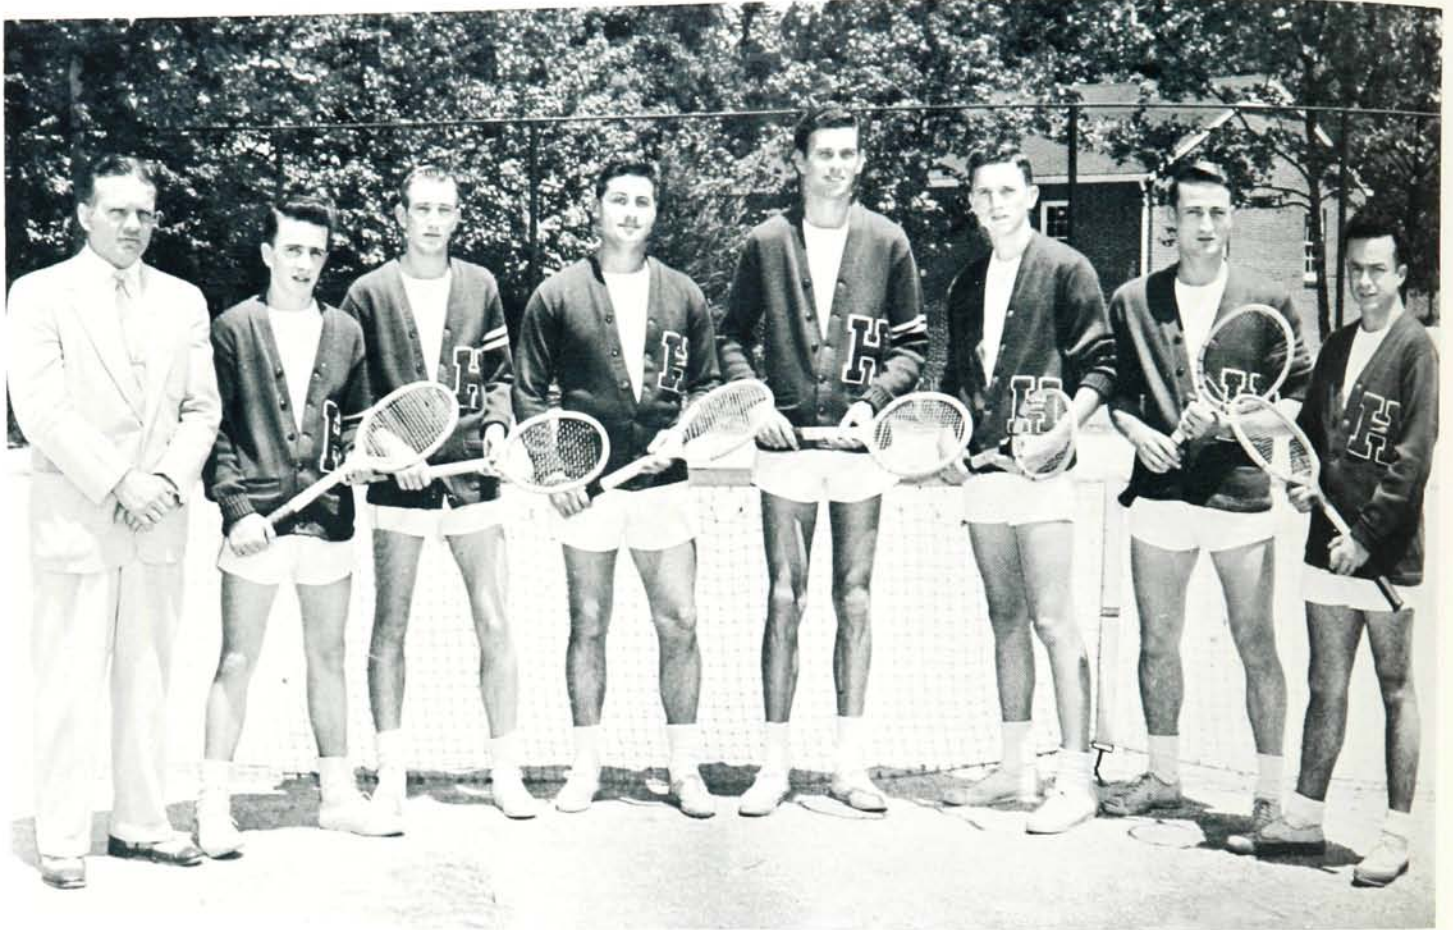

It's action from the HPC-Elon Jr. Varsity affair as the Baby Panthers rack up one of their 27 victories. The HPC team grabbed an early lead and broke the game open in the last few minutes with blistering speed to win going away 78-67. In the photo at the right, Ken Black can be seen flipping two points through the cords as Elon attempts in vain to break the play up.

The Panthers in Tennis

Left to right: Coach Paschal, Bobby Dyer, Kerlee Littrell, Doug Barten Field, Rudy Fraizer, Bill Eller, Frank Wiggs, Carlos Horcasitas.

NORTH STATE CONFERENCE CHAMPIONS

The High Point College Tennis Team has led the North State Conference since its origin. This is somewhat of a record, for no other college in the conference has so completely dominated one sport.

The Panther tennis squad began a new era in 1951 when Mike Reyes-Varela and Carlos Horcasitas entered High Point College. Varela has held the number one position until last year when he was forced to retire because of illness. Carlos then

took over and led the Panthers to the number one position in the North State Conference. Dave Empler and Rudy Fraizer have been stalwarts in the Panther lineup. Bill Eller and Bobby Dyer proved to be of great value to the team also. This year Varela returned to the lineup along with a newcomer, Vincent Leong.

The defending champion Panthers have gone a long way toward bringing prestige to the High Point College campus.

ARTHUR PASCHAL, HPC DIRECTOR OF ATHLETICS

Arthur Paschal came to High Point College in 1948. He is now serving his seventh year as athletic director here at HPC. Mr. Paschal received his B.S. degree from Northeastern State in Oklahoma. He earned his M.S. degree from Oklahoma A&M. Paschal taught at Oklahoma A&M for one year.

Since he has been athletic director at HPC, the intramural program has grown with leaps and bounds. At the present time the intramurals play a major part in the athletic program, thanks to Mr. Paschal's earnest endeavor.

Intramural Athletics at High Point College

The intramural athletic program on the campus of High Point College seems to be growing yearly both in the number that participate and in the spirit that is created by its very presence.

At the present time, the intramural program consists of football, basketball, volleyball and softball. These four sports enable the majority of the students to participate during the year in one sport or the other.

Football action saw seven teams battling it out for the championship; the same number made an

effort for the volleyball title. The hardwood court season saw nine teams offer their basketball abilities to the cause and eight teams answered the call for softball teams.

Trophies are awarded to the winners and runners-up in all sports by the athletic department.

This year's program saw all entries giving it their best in defeat as well as in victory which was one cause for a successful season in intramural athletics. Intramural athletics at HPC has finally reached an unprecedented level.

Intramural Football and Volleyball Champions

The TKE football team walked away with the intramural gridiron crown this year in what critics consider one of the most heated and successful seasons ever completed here.

The Tekes, possessing weight to spare and just about the right amount of speed, had no mercy on their opponents as they went through the season not only undefeated but refused to allow their goal to be crossed a single time. Lambda Chi, who managed to hold the champions to a scoreless tie in one contest, produced a fine club in finishing second

in the standings. The on and off Sig Eps managed to keep up enough steam to complete the campaign in third position.

Volleyball action saw the TKE take over where they left off in football, edging past Lambda Chi for the title. Lambda Chi downed the champions in the regular season but the determined Tekes came soaring back in the tournament to take the title. Thus, Lambda Chi's fine team had to be content with second place. The Sig Eps occupied third place at the season's end.

First row: J. C. Hawkins, Spencer Smith, David Moore, Don Roberts, Robert Fowler. Second row: Raymond Skidmore, Spec Allred, Jim Hall, Elwood Mabry, Jim Harris, and Jim Royals.

CHARLIE MAULTSBY, ZENITH SPORTS EDITOR

Charlie Maulsby, for his second year, has served as sports editor of the 1955 ZENITH. With a background of experience in the sports writing field, serving also as *Hi-Po* sports editor, he has planned this section for the enjoyment for sports-loving HPC collegians.

A senior, Maulsby will not be back at HPC to offer the students another year of good sports coverage.

MRS. ABE PALMER

Mrs. Abe Palmer came to us in the fall of 1954, now completing one year of successful teaching of girls sports. Mrs. Palmer has introduced a first on the High Point College campus in the form of modern dancing with 45 girls participating.

Mrs. Palmer received her B.S. degree from High Point College and her M.A. degree from George Peabody.

This year Mrs. Palmer, in co-operation with Dr. Lewis, has combined the music department with women's athletics to sponsor an entirely new May Day Program. Mrs. Palmer is a tireless worker with her girls and often one can see her competing with girls in the various sports.

Under the direction of Mrs. Palmer, the W.A.A. has had a full athletic program this year. In the fall the W.A.A. participated in a playday at Greensboro College. Six schools were represented and our girls advanced to the semi-finals before losing out to a strong WCUNC team.

The W.A.A. women also fielded a basketball team which ended up with an 8-3 record. As this article goes to press the girls are fighting through a heated intramural basketball season.

*Sororities
and
Fraternities*

Fraternity Life at High Point College

For the first time in its history, High Point College has on its campus six national fraternities. This innovation to HPC has brought with it a national scope and a national feeling on the part of the fraternity men who make up approximately 40 per cent of the men on campus.

This segment of the student body has a responsibility to the national fraternity as well as within the local chapter. With this increased responsibility, brought about by the coming of the national fraternities to the campus, a feeling and a spirit of higher endeavor and service has replaced the former feeling of local fraternity apathy.

A cross section view of fraternity men, during college years as well as after, shows that fraternity life helps the individual—it develops a sense of responsibility, a feeling of brotherhood, and brings out all the potentialities within the real “man.” The most outstanding men in the United States and

the world today are fraternity men; they learned, while in college, that man must live with man, that a bond of brotherhood can exist between men, that man must take an interest in his brother.

Within the fraternity, there is the closest feeling that can exist within any organization; one fraternity man will go many a “second mile” for his brother. *The bonds of fraternity are sacred, not to be broken, and are respected, trusted, and upheld.*

On many campuses and to many people, the word “fraternity” has a bad connotation. Here at High Point College, we can be proud of the fact that a fraternity man is respected, found to be dependable, courteous, and a real “man.”

Fraternity life at High Point College is on a high level—it is a level unapproached by any other organizations on campus. It can be said of us here at HPC that “we believe in fraternities.”

Good Wishes to Graduates of 1955
From the Manufacturers of

WORK 'N' PLAY CLOTHES

AS you plan the years ahead, consider Anvil Brand clothing. Excellence is an art won by training and habit, not by luck. We do not act rightly because we have virtue or excellence; but rather we have those because we have acted rightly. We are what we repeatedly do. Excellence, then, is not an act but a habit. May the habit of excellence bring good fortune to you throughout the years.
